

Training Services

At Wilmes, we believe that staff should have the right tools to perform their job. And having the right tools starts with knowledge. Our training services are designed to provide training specific to your school sites on your schedule, not ours. We offer both online and the classic "chalk talks" training.

Cal-OSHA Safety Training

We offer a full suite of compliance and awareness courses to keep you in compliance with OSHA regulations.

AB 1825 Sexual Harassment Training

The only course with custom video skits, interactive audio and video presentations and geared completely to educational agencies. At just \$18, this is the best sexual harassment

training you will ever access. [Try it now](#)

School Valet Training

School Valet Training is a unique course designed to teach school site staff, parents and volunteers how to manage morning drop-off and afternoon pick-up. The course will take you through the proper safety gear, legal liability concerns, setting up traffic cones, proper hand signals and loading and unloading of school children. [Try it now](#)

Room Parent Training

Room Parent Safety Training is a short 13 minute course that provides new and seasoned room parents with information on the most common safety issues that arise in school classrooms. From dealing with allergies to privacy and freedom of speech issues. Learn what to do in emergencies and how to protect yourself and students. [Try it now](#)

Principals Risk Control Training

Being a Principal is difficult enough. Trying to learn work comp, risk management, safety, security and all the other accident prevention theories can be overwhelming. In our Principal Risk Control Training course, we go over several of the common risk control elements. Participants receive our book [Risk Management Principles for Principals](#) as a course guide. Topics include work comp reporting, accident investigation, sponsorship, pest management, field trips, and many more...

Playground Training

Playgrounds send more than 200,000 kids to the hospital every year. Knowing how to supervise and maintain a playground can ensure that all students enjoy their recess. We offer two courses to train staff and aides on playgrounds

- Playground Supervision
- Playground Maintenance

Risk Management Training

- Accident Investigation
- Accident Reporting
- How to Read contracts
- Vendor Selection
- AB 1825 Sexual Harassment for Supervisors
- Interview Do's and Don'ts
